- Nikola NZT and WAV preorders also open on June 29, 2020 and will make a special appearance at Nikola World 2020

PHOENIX --- June 29, 2020 — In February 2020, Nikola Corporation (NASDAQ: NKLA), a global leader in zero-emissions and infrastructure solutions, made industry headlines when it announced its entry into the electric pick-up market with its advanced electric pickup, [Nikola Badger](#), designed to outperform pickups in its class. Since then, consumers have anxiously awaited today's announcement that preorders are now being accepted at 11 AM ET. Preorders received before November 15, 2020 will also be entered to win a Badger, receive a match of your deposit, up to \$5,000 off the final purchase price of the vehicle, and be invited to the [Badger](#) debut at Nikola World, which is slated for December 3-5, 2020 in Phoenix, Ariz.

“The technology on the Badger is next to none; it has one of the most advanced powertrains and infotainment systems on the market. The features include over-the-air updates, keyless entry, independent torque control of every wheel, 906 HP, 980 ft. lbs. of torque, 15 kilowatt power export with 220V and 110V, tie-down tracks inside the truck for cargo, hidden refrigerator, up to 600 miles of range, and waterproof displays. You couldn't dream of building a better pickup truck than the Badger and we offer it in both fuel-cell and battery-electric options,” said Founder and Executive Chairman Trevor Milton. “At Nikola World 2020, our followers will have the chance to see the Badger in action, so you don't want to miss this show.”

The three-day Nikola World 2020 event will kick off with a party for preorder reservation holders only on December 3, the unveiling and live concert on December 4, and general public access and limited ride-alongs on December 5. [Nikola Powersports](#) and other products will also be onsite along with a few planned surprises.

Badger preorder reservation holders receive a guaranteed seat at Nikola World 2020. Limited tickets will be available for sale to the public at www.nikolamotor.com starting on Monday, June 29, 2020 at 11 AM ET.

To preorder your Nikola Badger, secure your place in line, receive an invitation to Nikola World 2020, and be registered to win a Badger, go to www.nikolamotor.com/reserve/badger.

FORWARD LOOKING STATEMENTS: Certain statements included in this press release that are not historical facts are forward-looking statements for purposes of the safe harbor provisions under the Private Securities Litigation Reform Act of 1995. Forward-looking statements generally are accompanied by words such as “believe,” “may,” “will,” “estimate,” “continue,” “anticipate,” “intend,” “expect,” “should,” “would,” “plan,” “predict,” “potential,” “seem,” “seek,” “future,” “outlook,” and similar expressions that predict or indicate future events or trends or that are not statements of historical matters. These forward-looking statements include, but are not limited to, statements regarding the company’s expectations regarding its projected Badger build and related specifications; the company’s expectations for its trucks and hydrogen fuel-cell network; market acceptance of hydrogen fuel solutions; and market opportunity. These statements are based on various assumptions, whether or not identified in this press release, and on the current expectations of Nikola’s management and are not predictions of actual performance. Forward-looking statements are subject to a number of risks and uncertainties that could cause actual results to differ materially from the forward-looking statements, including but not limited to general economic, financial, legal, political and business conditions and changes in domestic and foreign markets; the potential effects of COVID-19; the outcome of judicial proceedings to which Nikola is, or may become a party; failure to realize the anticipated benefits of the recently completed business combination; the conversion of preorders into binding orders; risks related to the rollout of Nikola’s business and the timing of expected business milestones; the effects of competition on Nikola’s future business; the availability of capital; and the other risks discussed under the heading “Risk Factors” in the definitive proxy statement/prospectus/information statement filed by VectoIQ on May 8, 2020 and other documents Nikola files with the SEC. If any of these risks materialize or our assumptions prove incorrect, actual results could differ materially from the results implied by these forward-looking statements. These forward-looking statements speak only as of the date hereof and Nikola specifically disclaims any obligation to update these forward-looking statements.
