PHOENIX – June 28, 2022 -- [Nikola Corporation](#) (Nasdaq: NKLA), a global leader in zero-emissions transportation and energy infrastructure solutions, today released a video message from CEO Mark Russell urging all Nikola stockholders to vote now FOR Proposal 2 before the Annual Meeting on June 30. The video can be accessed [here](#) and is available on all Nikola social media channels.

There are two days left to vote and every vote matters. **Stockholders must actively vote before the deadline at 11:59 p.m. Eastern Time on June 29, 2022 so their vote counts.**

Approving Proposal 2 is critical. Nikola has 600 million common shares authorized. As of June 8, 2022, the combination of fully diluted shares, including shares outstanding and options, restricted stock units and warrants, and reserved/unissued shares from Nikola's equity line of credit and convertible notes equates to 567 million shares. Therefore, Nikola has approximately 33 million shares available for other purposes. **That is why it is so important for stockholders to vote NOW FOR Proposal 2, which would allow Nikola to increase the authorized number of shares of the Company's common stock to 800 million, providing more flexibility to support the growth of the business.**
