

QUICK FACTS*

MO | Volkswagen Trust Diesel Emission Reduction Act (DERA) Program

ABOUT

The Volkswagen Trust DERA Program provides funding to organizations in Missouri that seek to upgrade operating diesel equipment with newer technologies.

FUNDING

This round of funding has over \$1 million available for Class 8 heavy-duty vehicle replacement projects.

INCENTIVES

Total rebate per replacement truck will be **45% of the purchase price** of a heavy-duty ZEV.

APPLICATION PERIOD

Program opened on June 10, 2024 and will accept applications until July 31, 2024.

SELECTION PROCESS

Granting agency will select program beneficiaries by lottery from the pool of applications. Lottery guidelines outlined in linked document below.

*Additional requirements may apply. For complete incentive requirements, please visit the links above.

SCRAPPAGE

Replacing an operating diesel vehicle with **no restriction on Engine Model Year** is required to qualify.

LEASING

Leased vehicles do not qualify for funding.

PROGRAM REQUIREMENTS

Vehicle being replaced must be operational and in current, regular service.

Applicant must have owned and operated vehicle for the previous two years.

Existing vehicle must have at least three years of remaining life.

Vehicle must have accumulated 7,000 miles per year on average during the two preceding calendar years.
