

QUICK FACTS*

SD | South Dakota Volkswagen Truck Program

ABOUT

Round 11 of the VW Truck Program provides rebates to assist **state and local government agencies** in purchasing Class 4-8 local freight trucks to replace old, high-emitting diesel trucks.

INCENTIVES

Total rebate per replacement truck will be **55% of the purchase price** of an all-electric truck.

ELIGIBILITY

South Dakota state and local government agencies are eligible to participate.

SCRAPPAGE

Program requires replacing an existing, operational diesel-powered heavy-duty truck Engine Model Year 1992-2009 to qualify for funding.

APPLICATION TIMELINE

Call for Round 11 Projects opened on 6/3/24 and will close on 6/28/24.

Projects evaluated and selected between 7/1/24 and 7/12/24.

Round 11 Projects will be announced on 7/17/24.

*Additional requirements may apply. For complete incentive requirements, please visit the links above.

PROGRAM REQUIREMENTS

Applicant must maintain ownership of the replacement truck for 3 years after receipt of the rebate.

Ordering new trucks may not occur prior to both parties signing the agreement. Rebates will be made on a reimbursement basis for eligible expenses incurred and paid by the recipient. The rebate will not be processed until the replacement truck has been received and accepted by recipient.

Rebate will be issued upon verification (documentation and/or DANR staff site visit).

Applicant will submit Request for Reimbursement Form, evidence of final truck price, Certificate of Disposal Form, photographic evidence of disposal, and completed W-9 Form. DANR will review information for compliance with all grant requirements.
