

QUICK FACTS*

MN | Heavy Duty On-Road Replacement Grant

ABOUT

The Minnesota Heavy Duty On-Road Replacement Grant is now accepting applications from heavy duty on-road vehicle owners to receive funding to purchase new zero-emission replacements.

FUNDING

Approximately \$4.4 million in total funding available.

GRANTS

Maximum award is **75% of the cost** for electric vehicles.

Sales tax and FET are eligible costs under the program.

APPLICATION PERIOD

Program began accepting applications on July 25th, 2024 through October 16th, 2024 at 4:30pm CST.

SCRAPPAGE

Program requires replacing an existing, operational diesel-powered heavy-duty truck Engine Model Year 1992-2009 to qualify for funding.

3. Click "View Bid Package" to see RFP and forms.

*Additional requirements may apply. For complete incentive requirements, please visit the links above.

LEASING

Leased vehicles do not qualify for funding.

PROGRAM REQUIREMENTS

Applicants must be based in Minnesota or have a branch office in Minnesota. Vehicles funded under the program must operate in Minnesota.

Vehicle being replaced must currently operate 75% or more of its annual miles in Minnesota.

Applicants must supply VIN for each on-road vehicle submitted for replacement.

Once VIN is verified as eligible for funding, MPCA will review applications using specific criteria outlined in the RFP.

Points are awarded to small businesses that are registered with the Minnesota Department of Administration as veteran-owned, economically disadvantaged, or targeted group business owned and operated by women, minorities, or persons with a substantial physical disability.
