

## QUICK FACTS\*

### VA | GO-Zero Program

#### ABOUT

The GO-Zero Program provides funding to purchase zero-emission drayage trucks that serve The Port of Virginia.

#### APPLICATION PERIOD

Program reopens on July 10, 2024 through September 10, 2024.

#### ELIGIBILITY

Independent owner operators and fleet owners may apply.

#### INCENTIVES

GO-Zero offers an incentive of \$200,000 for each ZEV truck purchased.

#### SCRAPPAGE

There is no scrappage requirement under GO-Zero. However, an additional incentive of \$25,000 will be available to participants who agree to scrap an older diesel-powered drayage truck.

\*Additional requirements may apply. For complete incentive requirements, please visit the links above.

#### APPLICATION

Completed PDF applications (linked below) must be emailed to [emihalski@ecologixgroup.com](mailto:emihalski@ecologixgroup.com) for evaluation.

#### EVALUATION

After the application period has ended, an evaluation will be conducted to select awardees. Announcement expected in Fall of 2024.

#### PROGRAM REQUIREMENTS

Awardees agree to use the new ZEV truck to continue to service Port of Virginia facilities for 2 years after the new truck has been purchased, and must make at least 100 port visits/year for each of those years.

After an award has been made, program participants agree to share general data related to operation/maintenance costs and performance metrics of the trucks.
